FREE. CONFIDENTIAL. CONVENIENT.

SelectPlan for Women is a Pennsylvania state program that gives you more freedom to take care of yourself:

- ▶ Free birth control
- ▶ Free Pap tests and breast exams
- ▶ Free emergency contraception
- ▶ Free HIV testing and counseling
- ▶ Free STD testing and treatment
- ▶ You get to choose a participating provider

Who qualifies for SelectPlan?

Kiesha has wonderful kids and doesn't want to have any more.

Lee has coverage from work that doesn't include birth control.

Mariella has outgrown CHIP and is putting herself through college.

Many women who are 18-44, aren't pregnant, have little or no insurance, are Pennsylvania residents, and meet income guidelines may qualify. For instance, single woman can make almost \$1,700 a month and still qualify. **Apply now.**
